

# SASWH Forum

## Terms & Conditions of Use

The SASWH Forum was designed and created to provide the Saskatchewan Healthcare OH&S Practitioners an online community where they can connect, share, post documents, ideas, questions, comments, templates and general knowledge about the health and safety of the Saskatchewan healthcare workforce.

It is required by all those who use this forum to adhere to the rules of the forum outlined in these terms of use as well as the overall website terms of use. By using the forum you agree to the terms found within this document.

All those who violate these terms of use risk being suspended and/or blocked from the forum; and possibly the entire SASWH website.

### Registration

Registration to the SASWH website is required, and permission from the Site Administrator must be granted in order to access the content housed in the forum. Users will be sent a notification that they have registered for an account with SASWH, however **typical turn around for approval to access the forum is 24 hours**.

Access to the SASWH Forum has been limited to the Saskatchewan Healthcare OH&S Practitioners, and can only be seen and accessed on the home page of the site once members of this group have been logged in.

### Posts

Posts made in the forum are to be of a workplace health and safety nature, and must not contain material you do not have permission to share; including photos (see Copyright Material). All posts are monitored by the forum Moderator, and are closely watched for continuity and relevance to the use of the forum. Posts are to be made only once in each category, but can be posted within other categories.

All posts and content shared within the forum are done at your own risk, and SASWH holds no responsibility for the content, photos or opinions posted. We reserve the right to remove or edit any postings at our sole discretion, including those that are off subject or in violation of these terms of use. We invite healthy debate and discussions regarding health and safety in the workplace, but are strongly against using the forum for personal attacks and destructive postings.

It is strongly recommended for your privacy and safety that you do not post any personal information within the forum. This includes: phone numbers, email addresses and any other private personal information.

## Copyright Material Use

It is strictly forbidden to post any material that you do not have copyright ownership of, or hold the exclusive license for, or have general permission to distribute the material. Examples of these types of material include, but are not limited to: articles, templates, art, photographs, manuals, etc. By posting such material, you represent and warrant that you have permission of the exclusive copyright or license holder of the material or you are the exclusive copyright or license holder with the expressed right to post the material within the SASWH forum.

## No Advertisements or Solicitation

You may not post any content for commercial purposes. This includes, but is not limited to, advertisements for your business and solicitations for a charity. You may not suggest or encourage illegal or violent activity, as SASWH will assist law enforcement officials to stop and/or prevent any and all such activity of which it becomes aware.

## Subscriptions

Subscribing to any content found within the forum is the sole responsibility of the user, and will not be done by SASWH. Users of the forum are welcome to subscribe and unsubscribe to all posts as they see fit. By subscribing you are granting permission for the system to generate and send you notification emails once content has been added or edited by another user, the forum Moderator or the System Administrator.

## Archiving and Read Only Discussions

SASWH reserves the right to archive or make any discussion "Read Only" at any time at its sole and exclusive discretion. This includes, but is not limited to: any postings or discussions that are disruptive in nature or are contradict any of the terms in this document.

## Forum Maintenance

There will be times when the forum will be "down" for system maintenance and updating. During this time SASWH asks for your patience and assures you that all content posted will be maintained (unless otherwise stated).
